

VERISIL®

Special chemicals for the deinking process

Special silicates (modified ratio) without additives

Verisil® 140
Verisil® 187
Verisil® 188
Verisil® 190
Verisil® 195

Special products to be used during the flotation process

Sapetin FC 1010
Sapetin FC 1025
Sapetin FC 1060
Sapetin FC 1115

Special silicates (modified ratio) with biodegradable stabilisers

Verisil® 287
Verisil® 288
Verisil® 290

Special additives against catalase

Warosit® 247
Warosit® 249
Warostat 3310

Surfactants for the flotation process

Sapetin T 1000
Sapetin T 2000
